

Kirtan Rabbi

Special Weekend
at Your Venue

COME IMMERSE YOURSELF in a powerful new way to pray – KIRTAN, an ancient form that we'll make modern and meaningful!

Rabbi Andrew Hahn, Ph.D., the *Kirtan Rabbi*, will lead us in uniquely Jewish Kirtan sessions. Chants drawn from our liturgy are accompanied by musical instruments and drumming. Participants, from kids to seniors, add their own energy – chanting, clapping and dancing. Joining a Kirtan frees your mind from its daily chatter. You move into a meditative state, pulsing with joyful noise one moment, resting and listening in silence the next.

SAT, MAY 22

DAVID NEWMAN (DURGA DAS), CHANT ARTIST

“This is not your bubbe's Judaism — but after a few minutes, she'll be clapping and dancing along with the rest of us.”
